Agronomy Salesperson / Assistant Manager for our Davenport Branch.

We are looking for an Agronomy Salesperson / Assistant Manager to work out of our Davenport Branch. Our Ideal candidate will have a bachelor's degree in Agriculture, Agronomy, Horticulture, or related four-year degree. Experience in agronomy sales, consulting, and knowledge of local crops (wheat, alfalfa, canola, peas, garbs, grass seed) and an understanding of the agronomic products used on these crops is preferred. However, a strong agronomic / sales background may suffice for the right individual. A Class-A CDL with Hazmat endorsement and a good driving record is required. Drug test and background check will be completed. Ability to obtain state Pesticide Consulting License or Applicator and Dealer Manager License is necessary. Candidate must possess or be able to obtain Certified Crop Adviser (CCA) credentials in a timely manner. Successful candidate must have excellent communication, customer service and interpersonal skills. They must also be a dependable and reliable self-starter, problem solver and critical thinker, able to work with minimal supervision and be able to use sound judgment in accomplishing goals. The ability to multi-task and be detail oriented are critical for this job. Good math skills and basic knowledge of computer systems operation and associated software are required for this position. Job duties include delivering products to our customers, using a GPS in field operations, scouting farm fields for insects, weeds and diseases, maintaining field records, making sound agronomic recommendations, sampling soil and plant tissue for nutrient status. Candidate would be expected to help fellow employees grow in their abilities and accomplish their goals, schedule field jobs, manage inventory needs, track inventory, maintain safety programs, complete paperwork in a timely manner, operate company vehicles in a safe and professional manner, and consult with and report to Branch Manager daily. Additionally, candidate would be expected to expand company sales with agronomically sound products and services and to promote and sell products offered by our company. Candidate would likewise be expected to attend on-going training to improve and advance their professional skill set. Although this will be a salary position, overtime hours may be required during the busy seasons. **This position comes with insurance and vacation benefits plus a 401K package. Compensation is DOE.** Please apply online or send a resume and cover letter to Ken Uto via email (kenu@aglink.biz) or postal mail at Ag Link Incorporated, Attn: Ken, 39100 Sunset Hwy Rd E, Davenport, WA 99122.
